Week 5 Term 4

W / E — 7TH NOV

We are already midway through our term and the weeks are really flying by. We are currently in the process and completing our next round of goal meetings and some students have commented on how short a time it feels like!

Thank you to all of those who attended the community meeting with Trish Webb and Mike Tom last week. Your opinions are valued and it is up to all of us to shape our school for our community.

### Assembly

There will be no assembly in week 6 due to the mid term break. Assemblies and talks will continue again next week.

### P&C Meeting

There will be a P&C Meeting on Wednesday the 11th of November in the school studio. We welcome any of our community members to come

and be involved in our school.

### Hats

Our hats seem to be escaping us at the moment. Could you please help your child to ensure they have a hat for the day. As our weather warms up it is more and more important.

### SOTA PE CAMP

Lots of smiles and yawns accompanied our students in their return from Victor Harbour. Isaac, Jill and Toby thoroughly enjoyed their time at the SOTA PE Camp and they all have lots of stories to share about their adventures. SOTA will be looking into the location for next year's camp.
