Week 5 Term 3

W/E — 14TH AUGUST

Already we are at the end of another adventure packed fortnight!

On Tuesday the students travelled to Broken Hill to join White Cliffs and Railway Town Schools for a presentation by Questacon Circus, a roadshow team from Questacon in Canberra.

The presentations were exciting and the team kept the students enthralled and thoroughly entertained for the entire show. Some of the favourite highlights were mini rockets, the air rocket and making sounds with a bucket! The presenters explained the science behind each of the experiments.

It was also great to begin learning plan meetings this week, with students very clear in what they have achieved and what they need to work towards. These meetings will continue into this week.

Susan Shiner
(Relieving Principal)

EARN & LEARN

Our collection box has been placed at Woolworths in Broken Hill, please encourage everyone you know to place their stickers in there. Stickers can also be given to the school and we will take them down.

By collecting the stickers and forwarding them to the school we will be able to claim some educational materials for use in our school.

HATS & WATER BOTTLES

It is starting to warm up again and our students have been making the most of the opportunity to be playing out on the oval, running and enjoying themselves. Please make sure that your child has both a hat and water bottle each day so we can ensure they can play safely.

MISS WARBY

In week 8 Miss Sarah Warby will begin teaching at the school. I will continue to be in the classroom for literacy time and some of the maths time (as I currently am now). In this way programs such as L3 and MultiLit will be able to continue without any interruptions.

QUESTACON
