What's on @ TOPS

Week 7 Term 3

W / E — 28 TH AUGUST

Already we are at the end of another adventure packed fortnight!

It is always great to have the opportunity to involve the community in our learning activities and this week we were privileged to have Rocky come into the classroom and do some artworks with the students. There was a lot of positive feedback from the students and we will be continuing to work on these more in the coming weeks. Thanks Rocky for sharing your time and skills.

I will be away next week from Wednesday to Friday. Miss Warby will be starting on Monday so will have 2 days with me in the classroom and then 3 days getting to know the students and the routine on her own. I know the students will give special attention to helping Miss Warby learn our routines and rules.

Susan Shiner
(Relieving Principal)

EARN & LEARN

Our collection box has been placed at Woolworths in Broken Hill, please encourage everyone you know to place their stickers in there. Stickers can also be given to the school and we will take them down.

By collecting the stickers and forwarding them to the school we will be able to claim some educational materials for use in our school.

OUTBACK PATROL

Outback Patrol will be visiting on Friday 11th September with a very special clown.

HATS & WATER BOTTLES

It is starting to warm up again and our students have been making the most of the opportunity to be playing out on the oval, running and enjoying themselves. Please make sure that your child has both a hat and water bottle each day so we can ensure they can play safely.

THANK YOU MRS HOTCHIN

A very special thank you to Mrs Hotchin for all the extra work she has done over the last term and a half. It has been lovely working with you and I know our students will miss you. We wish you all the best for the safe arrival of your new baby.

LIBRARY

We have some very keen library borrowers at the moment. Please make sure your child has their library bag and books for returning each week. There are still some outstanding library books from some time ago

PAINT SHIRTS

Our current art shirts are not protecting the school shirts from getting paint on them. Could you please send a named, oversized long sleeved shirt (old work shirt) for your child to use during our art lessons. We would like to see these in use ASAP. If you need help sourcing one please let me know.
