SUN

Good afternoon everyone; We have had a busy last term at TOPS. Sorry for no newsletter in week 6 as I was away. It is great seeing parents come to the morning assemblies each day to receive all our news for the day and upcoming week. Well done to the students for relaying messages back home. You have made to communication at school is much easier for everyone to know what's going on.

The students have kept busy over the last four weeks participating in the music Count Us In, Paul Jennings workshop, Melbourne Cup, and many exciting classroom activities.

Still to come this term—swim school in Week 9, Stewart House, two weeks of art and craft, cooking and outdoor education with the teachers and National Parks.

School finishes on the 16th of December. Even though we have had presentation night, it is vital that your child attends school till the last day. It is time for them to wind down and enjoy some fun activities and events. These are the couple of weeks the students have worked so hard over to year to have.

I would like to take this time to thank everyone for such a wonderful year.

To our year 6 students—congratulations of graduating year 6. Jill, Toby and Trevor—best of luck next year as your new adventure in High School Begins.

Cant wait to see you all at Presentation Night to celebrate the students successes and at the PCYC Pool party and blue light disco.

Renee Cooper (Principal)

SWIM SCHOOL:

During Week 9, the students will participate in Swim School each morning with Mrs Shiner. It is important that each day the students come prepared with their swimmers, a top, thongs and a towel.

STEWART HOUSE:

We are lucky enough this year to have Toby Davidson attending Stewart House in Week 9 and 10 in Sydney. He is super excited to be given to opportunity to go away fro the two weeks to participate in a variety of activities.

NATIONAL PARK VISIT:

During Week 10, Keno from the National Parks Service will be coming into the school to complete a water activity talk with the students. They will in return, be going out onto National Parks to completes some water based activities.

POOL

The School and Community Pool is now open.

Please purchase your pool pass from the school or day pass at the Two Storey Pub. (keys also at pub)

It is important we support the school pool in order for it to stay open.

CHRISTMAS ART AND CRAFT:

We are completing many Christmas art and craft activities over the next two weeks. Please keep your ears posted.

SCHOOL START DATE 2017:

School will start for TOPS for students on Tuesday the 7th February 2017.

Please have a safe and enjoyable school break.
