This weeks draws the conclusion of another two busy weeks we have had at TOPS with three more fun packed weeks left in the school term. It was lovely to see some rain fall upon the town over the last week. I'm sure that we were all hoping for more.

With all of this, we saw the cancellation of the Rally coming to town. In return the Drive In was cancelled. It was wonderful seeing all the support from the parents and wider community come together in order to try and get the drive in ready for the Rally.

A big thank you goes the Glenn our local policeman who has volunteered numerous hours in trying to get the protector working in time for the rally. Your work is much appreciated.

We have many projects underway at the school over the remainder of the school year. Allison has ben busy clearing out the weeds and laying straw on the garden bed near the fence line. Its looking great.

Thank you to John and Mavis Jackson for the donations of a bale of straw for the schools use.

There is going to be a school working bee in the upcoming months to lay the pavers to the much needed beautification in front of the school library. More information will go out closer to the date.

Last week saw the students participate in activities from the National Park Ranger 'Keno'. Keno took the students out to Dead Horse Gully to participate in activities around Natural Environments and the Indigenous uses for native foods and animals. Thank you Keno for taking the time out of your busy day to work with our students.

Renee Cooper (Principal)

NATIONAL PARK EXCURSION:

On Monday the 12th September, Mrs Shiner and Miss Cooper will be taking to students to Mt Poole Cain to work with the National Parks in the monitoring of an endangered plants site. We will be stopping in at Milparinka on the way back to school, to look through the historic town and to have lunch.

A note about this will come out next week.

SPELLING BEE:

During the last week of this school term, TOPS students will participate in a TOPS spelling bee. They will have words based around their spelling words from Term 3. The Spelling Bee will be held on Tuesday the 20th September from 2:00pm—3:00pm.

We will have a special community member running the spelling bee for the students. All participates will receive a prize.

LAST DAY OF TERM;

The last day of Term 3 is the 23rd September. School will resume on the 10th of October for Term 4.

Have a safe and exciting break!

SCHOOL CAPTAIN REPORT:

This week has been very busy for me. Last Tuesday we took photos for a photo competition. They looked great. On Wednesday, in the afternoon we said hello to Miss Coopers old class and some other students that were next to her class and we talked about our community. On Thursday we did some fun fathers day craft.

We all enjoyed the last week we had at school.

Jill Shiner (School Captain)
