Week 8 Term 1

W / E — 17TH MARCH

HELLO READERS

There has been a lot going on since our last newsletter. We have had a busy time in the classroom getting ready for the Ed Expo. The students spent many hours preparing for fundraising opportunities. They made a raffle with 3 prizes, 100's boards and a lolly guessing competition to have at the expo. The students made over \$1200 as a start for their fundraising to make \$20,000 to have an Excursion in Term 4 to Sydney. The students are looking to go to Luna Park, the Zoo, Aquarium, Gold Class at the movies and see the Sydney harbour Bridge and Opera House while catching every mode of transport – including an aeroplane ride to get to Sydney.

They are on the right path – I am very proud of their efforts.

The Ed Expo was a huge success. I would like to thank everyone who was involved in getting ready for the expo and attending on the day. A massive thank you to all the presenters who came up to Tibooburra to present workshops and activities for the students, parents and wider community. It was much appreciated. Thank you to all the students at Tibooburra Outback Public School, School of the Air, White Cliffs and Alma who attended. The day would not

of been the same without you all there. Thank you for all attending.

The rest of the Term is back to normal for the students, staff moments are in place with Miss Jan away for two weeks, Mrs Hotchin away for Broken Hill School of the Air Classroom and Miss Cooper at the Principal Meeting.

To finish off, I would like to thank everyone for their attendance at school so far this year. We are sitting on a school attendance rate of 99%. You should all be very proud of your commitment to Tibooburra School.

Miss Cooper (principal)

SCHOOL HOLIDAYS

Students resume 26th April, staff start 24th with Anzac day the 25th April, enjoy your break and happy Easter

HATS AND DRINK BOTTLES

We actively encourage hats and drink bottles to be brought to school. We enforce the 'No Hat, No Play' guide-lines. It is also still warm and the students are quite active—please make sure you send a drink bottle with your child.

ED EXPO

Students participated in a variety of activities including cooking with dieticians, fitness, Aboriginal painting, Yoga and cyber safety. They investigated the RFDS Simulator, spoke with the Police, Ambulance Officer and SES Volunteer and looked at all their equipment. On Thursday night students attended a Blue Light Disco hosted by the Broken hill PCYC. On Friday night the students and wider community attended the P & C drive in and BBQ with the featured movie Sing. Whilst the students were busy at school the wider community participated in workshops around positive parenting, western land care, community support skills, building committees and legal aid. The expo was deemed a huge success and we look forward to our next event.
