per away

MON TUES WED THURS FRI SAT SUN

Hello Readers

Last week TOPS students went to Lake Keepit for a sports camp. After a two day drive the students were excited to arrive in Lake Keepit, infants and primary students were put into separate groups. The infants enjoyed working with students from Bonshaw and Mungundi. The primary students made friends with Red Range and Bonshaw students in their group.

Some of the activities undertaken were archery, regaining, canoeing, kayaking, abseiling and rock climbing. The most difficult and enduring activity was 'keep it commando' which saw the students get covered head to toe in mud. Overall the students had a blast and want to know when there next Sport and rec camp will take place.

Our favourite part of the Sport and rec camp was:

Cassidy—low ropes
Aaron—Archery
Tom—Abseiling
Clayton—Abseiling
Kim—Archery
Samuel— Low ropes

NAPLAN ONLINE READINESS TEST

This Thursday all students at tiboburra school are trialling the online naplan readiness test. This involves the students participating in an online sample test to see if our technology and system can support the implementation of this program.

PLEASE NOTE THIS IS NOT MARKED.

SPELLING BEE

On Friday the 22nd of september, last day of term TOPS is hav-

ing a spelling bee. This will take place from 12-1 in the classroom all parents and community members are invited to come to encourage and support the students.

JUMP ROPE FOR HEART

Following the spelling bee the students are participating in jump rope for heart please come and show your support between 2-3 all sponsorship forms and money are due to the school on this day. Between the spelling bee and jump rope for heart the school is providing a sausage sizzle, please come along and watch our kids jump their little hearts out.

SCHOOL HOLIDAYS

The school holidays will start on the 25th September to the 8th of October. School will start back on Monday the 9th October.

DIETICIAN VISIT

On the 20th and 21st of September we will be having the dieticians visit the school. The students will learn about meal portions and preparing meals.

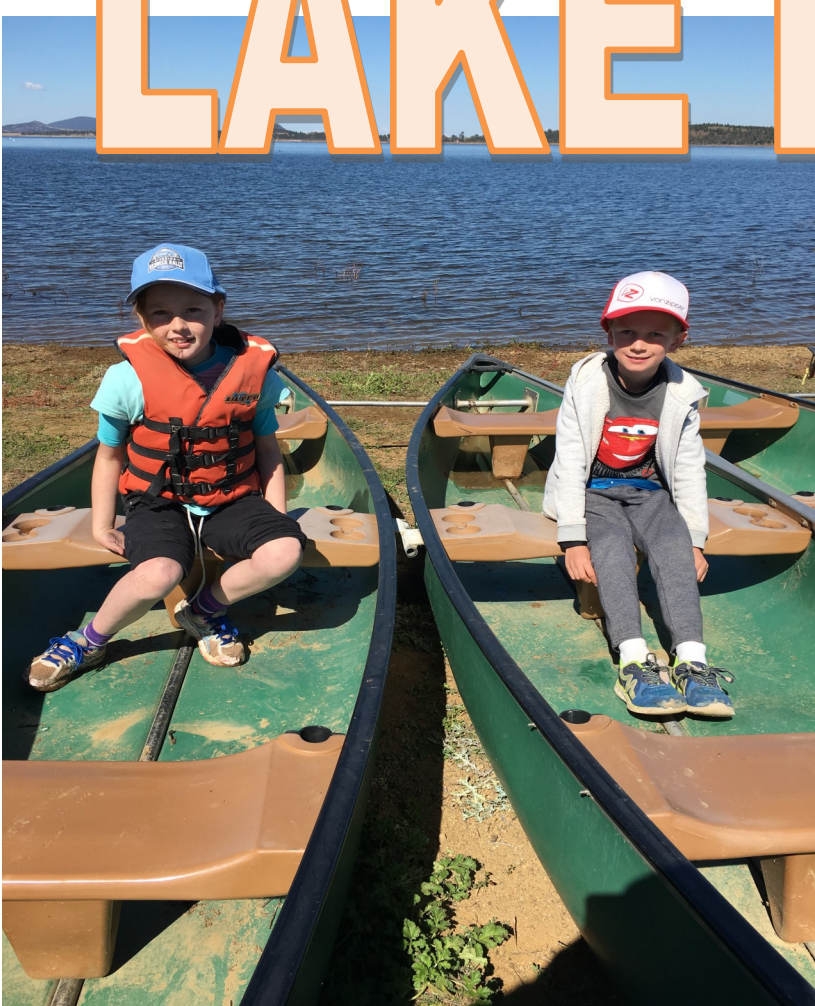

ATTENDANCE

Students need above 85% attendance to attend excursions. Attendance at school is paramount. Excursions are a way to reward students on their efforts at school over the entire year. Attendance plays a big part in this.
