What's on @ TOPS

Week 5, Term 1  W/E – 20/03/2020

COVID-19
As you are aware the World Health Organisation has declared COVID-19 a pandemic. The department of education has been planning and operating in accordance with its pandemic plan to support the safety and wellbeing of staff and students.

A social distancing strategy will be implemented from today, Monday 16 March 2020. In the first phase of its social distancing strategy, all schools will take a number of practical measures to support wider NSW Health containment strategies.

School Assemblies and excursions are cancelled until further notice. The Easter Hat Parade and Harmony Day celebrations are cancelled. Conferences and meetings (including P&C) are not to be held until further notice.

Before and after school activities (including Aqua Aerobics) held on school grounds are to be cancelled until further notice.

This also means the pool is closed to the public and for school swimming until further notice.

As we remain open we all need to follow school operational guidelines;

Please keep your child home if they are sick this will be marked as an explained and justified absence. If your child shows flu-like symptoms or high temperatures at school parents will be contacted to collect children to be kept a home until all symptoms have been clear for 24 hours.

From today Monday the 16/03/2020 all NSW schools are to introduce strict hygiene routines this includes supervised handwashing, discouraging children from touching their faces and teaching cough and sneezing etiquette.

Whole School Learning
On Fridays we are learning about child protection during our Personal Development and Health lessons. During these lessons we learn about our bodies and how to keep ourselves safe.

Parent Satisfaction Survey
Your child will have brought home a survey along with this newsletter today. Please complete on survey per child and return to school by Wednesday the 18th of March 2020. The results from this survey are collated and form a part of the annual school report. The results also help us as a school community to improve in the areas that you feel are important to your children.

Joss
