## Positive Behaviour for Learning (PBL).

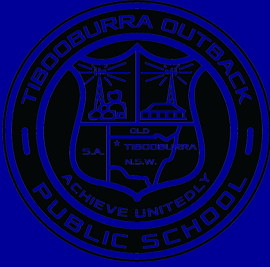

This term students have been learning about being respectful to staff, family, friends, themselves and the school and community.

To reward students for their hard work at being respectful this term we will be having a rewards day on Tuesday.

This means that on Tuesday the students will be having a delicious picnic lunch; supplied by the school and prepared by the students.

## Child Protection Lessons

A part of our curriculum is to educate students about keeping themselves safe. To support this learning, we will be having some visiting educators during Week 1 next term. These educators alongside TOPS teachers will work through a series of child protection lessons with students. Further information is attached to this newsletter. Any concerns or questions about these lessons please speak to TOPS staff.
