What's on @ TOPS

Week 1, Term 4

W / E — 14 / 08 / 2020

COVID-19

Messages from the Department of Education:

Non-essential adults are still not permitted on school grounds or at school events. This includes parents and carers except for face-to-face parent/teacher meetings that are essential.

When physical distancing is combined with good personal hygiene, the spread of illness and infection can be slowed.

A number of activities remain on hold until further notice:

- Kindergarten Orientation
- School camps
- Parent attendance at assemblies
- On site P&C meetings
- Parent volunteers

Cross Country

Cross Country was held in week 3. Student participation was great and a fun day was had by all. TOPS staff thank all parents for attending and abiding by our COVID safe plan.

Sick Students

With the current unpredictable weather it is the time for coughs and colds. Although we believe student attendance is of the highest priority we ask that if your child is unwell with a cold or flu like symptoms that you keep them at home.

Healthy Harold

Healthy Harold was a hit last week with students enjoying learning about staying safe and making safe decisions with Harold.

Mini Assembly

We held a mini assembly last week to celebrate student successes at school and in the community. Well done to our rewards level students:

Iron Level—Samuel Hotchin

Bronze Level—Billy Walters

Bronze Level—Patrick Watson

Bronze Level—Xavier Refalo

Congratulations Miss Rachel

Wishing Miss Rachel and Ben the warmest wishes as they have recently returned home with baby Henry.

School Excellence In Action

School improvement is a continuous process, centred on maximising outcomes for all students, and sustaining this improvement over time. Our school is currently 'deep diving' into a cycle school excellence.

The School Excellence Policy requires all NSW public schools to develop a Strategic Improvement Plan, which is informed by authentic self-assessment and evaluation.
