## School Improvement Plan 2021 - 2024

We really put Strategic Direction 2 into action throughout weeks 2 and 3 this term. Strategic Direction 2 of our School Improvement plan is all about connections that impact on student and staff learning.

Our trip to White Cliffs was a great opportunity for students to build connections with students from other schools, whilst enjoying the wonderful experience of seeing live action theatre in Wilcannia.

In week Three we saw all of our students get their hearing screened by Hearing Australia. We also enjoyed a visit from our surrounding station families who we invited in for hearing screening and a 'day in the life of Tibooburra Outback Public School'.

## Attendance Matters

Everyone has a role supporting positive school attendance.

Regular attendance helps students to:

- develop a sense of belonging
- develop and maintain friendships
- be more engaged at school
- progress with their learning

Students with 95-100% attendance to date for so far in 2021:

Lachlan Crozier  
Xavier Refalo  
Dakota Somerfield  
Samuel Hotchin  
Lucas Hotchin  
April Hotchin

## Bronze Level award recipients:

Lucas Hotchin
