Week 2, Term 2

W / E — 30 / 04 / 2021

School Improvement Plan 2021 - 2024

2021 is the beginning of a new school excellence cycle. Our School Improvement Plan, often referred to as the SIP, is a working document that outlines some key strategic directions the school is taking for improvement. Our current SIP runs from this year until 2024.

We are constantly reviewing what works best so we can create the best learning environment and outcomes for our students to keep on track to reach agreed targets set for Reading, Numeracy, Attendance and Wellbeing.

Our two directions are:

Strategic Direction 1 - Student Growth and Attainment
Strategic Direction 2 – Connections for Impact

Attendance Matters

Everyone has a role supporting positive school attendance.

Regular attendance helps students to:

- develop a sense of belonging
- develop and maintain friendships
- be more engaged at school
- progress with their learning

Students with 95-100% attendance to date for so far in 2021:

Xavier Refalo
Lucas Hotchin
Dakota Somerfield
Lachlan Crozier
Samuel Hotchin
April Hotchin

School Audit

A school audit will take place on the school's finances, enrolment numbers and on Work Health Safety early in Term 3. It is a normal part of the NSW Departmental Compliance Procedures for all schools to be audited.

Flag Leaders

Our flag leaders for term 2 are Joe and Dakota. They have been learning about the importance of the Australian flag. They take great pride in tending to the flag each day.

Week 2, Term 2

W / E — 30 / 04 / 2021

Anzac Day

Students did an amazing job of showing respect on ANZAC day. Our school captains (Samuel and Jack) laid the school wreath and Dakota and Xavier were given the privilege of laying a wreath for the Local Aboriginal Lands Council. A touching tribute was made to honour all of the animals who served in times of war which included all Tibooburra children coming together to lay a wreath, following a touching poem read by Ethan Hill and Joseph Watson.

Governor Visit

Our school was lucky enough to be included into the Governors places to visit last week. The students each told Her Excellency a little about themselves and Tibooburra before asking the Governor some questions about herself and her role as the Governor. The Governor commented on the positive and happy nature she felt around the school and was very impressed with the students confidence to speak in front of a crowd.

Milparinka Excursion

To conclude a very busy week we travelled out to Milparinka on Friday the 23rd of April to take part in the opening of the Albert Goldfields Mining Heritage Centre. Students again represented the school with pride. Students formed a guard of honour as the camels entered the opening ceremony and then were involved in leading the singing of the National Anthem after which Joe and Xavier read a bush poem showing off there brilliant public speaking abilities.
