What's on @ TOPS

Week 7, Term 2

W / E — 04 / 06 / 2021

We welcome Mrs Hotchin back this week after being on leave for the past six weeks. Mrs Hotchin will be helping out with assessments this week and will be back on class for weeks 8 and 9 whilst Miss B is away at the small school conference and Principal network meeting.

It is with all the best wishes that we farewell Mrs Hotchin, Samuel, Lucas and April at the end of Week 9, this term. They are returning home and back to SO TA. We thank Mrs Hotchin for all she has done here at TOPS to support teaching and learning.

School Improvement Plan 2021 - 2024

A focus on Strategic Direction 1 (Student growth and attainment) these past couple of weeks. Students have been working hard to learn new concepts in maths and refine skills in literacy. This week we have started some rigorous assessments to help us better understand where to next for each student. Strategic Direction 1 of our School Improvement Plan is all about improving and supporting student learning.

Attendance Matters

Everyone has a role supporting positive school attendance. Regular attendance helps students to:

- develop a sense of belonging
- develop and maintain friendships
- be more engaged at school
- progress with their learning

Students with 95-100% attendance to date for so far in 2021:

Lachlan Crozier
Xavier Refalo

Bronze Level award recipient: Jack Hough-Wedding

COVID Guidelines

In light of the issues involving COVID in Victoria we remind all families to consider the guidelines still in place.

- Practice good hygiene
- All visitors must sign in when visiting the school
- Keep your children home if they are unwell
